

You Could Save a Life!

When a medical emergency occurs, immediate attention and care is crucial. Would you know how to respond? Fire District 9 encourages every citizen to be prepared.

To assist in your preparation, we offer Adult Heartsaver CPR classes on a regular basis.

- Classes are free of charge to residents and business of Fire District 9. There is a nominal charge for those outside our district.
- The class covers adult CPR, child CPR (over age 1), choking and AED use. This class is perfect for worksites, safety personnel, caregivers, school staff and staff working in a medical setting but do not provide direct patient care.
- Class time is 4 hours, and the certification is valid for 2 years. All participants perform a CPR skills test.

We also offer a FREE Friends and Family CPR class that covers adult CPR, child CPR, infant CPR and choking.

- This class is perfect for new parents and family members, as well as community members that want to know CPR.
- No certification card is issued for this class.
